

Sustainability Policy

Vision: MFCS is committed to benefit future generations through sustainable growth by focusing on the economic, social and environmental impacts of our business.

Scope: This policy covers all MFCSL locations, franchisee locations, and contractual partners across various geographies.

Economic Objectives

- Enhanced profitability and generate wealth for our stakeholders while pursuing opportunities for growth.
- Assess, prevent, mitigate and manage full spectrum business risks on a continual basis.
- Create sustainable value by maintaining and improving the quality of our services.

Environmental Objectives

- Minimize Pollution and continually improve the performance to reduce the environmental footprint.
- Optimize resource consumption by planning and carrying out operations using sustainable technologies and processes.
- Ensure compliances to all applicable legal and other requirements.

Social Objectives

- Create enabling environment for the community around areas of our businesses in which they can improve their quality of life through enhanced educational, economic and health care opportunities.
- To ensure accident free and healthy workplace and institutionalize a culture through safety management systems and adopt best practices of health & safety in the organization.
- Build an organization that is committed to good corporate governance and social responsibility.
